## Appendix A Summary of the Residential Rental Registration Ordinance

In an effort to protect and promote the public health, safety, and welfare of its citizens, to establish rights and obligations of owners and occupants relating to the rental of residential rental units in the Borough of Danville and to encourage owners and occupants to maintain and improve the quality of rental housing within the community. Danville Borough has instituted a program to regulate and monitor property conditions in such housing. The following pages are a summary of the Residential Rental Registration Ordinance as it applies primarily to the tenants and occupants of residential rental properties. The full ordinance is available for inspection during normal business hours at the Danville Borough Municipal office or on line at [www.danvilleboro.org](http://www.danvilleboro.org). This program established accountability for the conduct of tenants and their guests.

This program outlines standards for information to be contained in your rental agreement to insure clarification of who is responsible for specific provisions such as trash removal, lawn care, utility bills and other similar items. Please review your rental agreement to make sure you understand what your landlord is providing to you and what you are responsible for. Your landlord is most often accountable in the event of violations in these matters. If you neglect to maintain those aspects of the agreement that are your responsibility then your landlord may take action against you, up to and including charging you for fines they've incurred and evicting you from the property.

All residential rental properties are required to have a Rental Occupancy License before the landlord may enter into a rental agreement. Danville Borough will perform periodic inspections and investigate reasonable complaints under this program. You may be requested to allow entry, with reasonable notice, so that the Code Enforcement Officer may perform those inspections.

In addition to other forms of recourse to landlords, you may be found in violation of this program for damages to your premises in excess of \$500.00.

This program regulates Disorderly Conduct by tenants and their guests. If Danville Borough Police determines that a occupant's or an unauthorized guest's behavior constitutes disorderly conduct on multiple occasions then the landlord may be directed to evict the tenant from the property. Failure to abide by the requirements of this program may be cause for penalties and for a landlord to have his/her Rental Occupancy License withdrawn. If you are evicted from a property due to a disorderly conduct finding, you will be legally required to reveal that when asked by a new/potential landlord.
